

# ADMINISTRATIVE UPDATE

to FRIENDS AND CLIENTS OF  
***VIRGINIA EQUINE PLLC***

---

---

We want to keep you apprised of the latest happenings! We have news updates for you about an easier way to make payments, about great manufacturers rebates going on right now, and changes in ordering drugs which we have prescribed for you, via third party pharmacies such as Chewy, Farm Vet, Valley Vet, Alli Vet, etc.. Read on!

Great news: You can pay your bill with us online! There is a link at the bottom of this paragraph, a link on our website, and a link on every email we send at the very last sentence of our signature block. No waiting for the office to be open! Our system (SwipeSimple by PayRoc) is double encrypted on both ends for security. All you need is your invoice number -- no time consuming patient portal and no new passwords! Try it out!

**CHANGE IN PHARMACY PROCEDURES: \$15 FEE**

It hurts us to do it, and we are one of the last vets in the area TO do it, but we must cover our costs with a **\$15.00 third party prescription processing fee**. When we indicate that you should provide your horse with a given drug, you are always welcome to buy it from the pharmacy of your choice. We also provide an online pharmacy right on the landing page of our website, where it says "Shop". Check it out via the link below this paragraph. All processing associated with those orders is electronic, and its a beautiful, efficient workflow, with drugs being shipped directly to your address. We also stock many drugs in our in-office pharmacy for same day pickup. In comparison, orders from third party pharmacies where you order your drugs on their website, result in a mountain of paperwork in our office. Faxes come in all day, must be completed by our staff by hand, then routed to the vets for wet signature, then faxed back to the pharmacy, nearly always producing one or two additional phone calls to see what the status is. We have to keep all that paper in a paper client file, and file it, keeping it for three years by law. To avoid that fee,

and finally..

Celebrating you, our great friends and clients, for the work you have put in collecting samples for fecals, and scheduling appointments to make sure your horse has the proper preventive care for good health! Vaccines, worming and dental care are a critical part of keeping our equines well! Have a wonderful spring and we're here for you!
